Business Debit Cards and Online “Debit Card Management”

Business debit cards allow you to manage employee ATM and purchase access to your business funds.

Debit Card Management gives you immediate up to date information regarding debit card fraud.

- **Blocked States, Countries, and Cards**
- **Report a Lost or Stolen Card**
- **Protecting Your Card**

Online Banking and Bill Payment FREE

- **See Balances** - View or download detailed, up-to-the minute balance and transaction history
- **Make Transfers** - Instantly move funds between accounts electronically. Set up automatic safeguards against overdrafts
- **Pay Bills** - online saving time and stamps

eStatements & eNotices (eDocs) FREE

As a Peoples Bank online banking customer, you can receive your statement and other notices electronically!

- Receive your statement 3-4 days sooner
- Print-out and/or save your statements on your computer, or to a disk for later retrieval
- Retrieve your statements anywhere you have access to Peoples Online Banking
- Includes all your check images
- Multiple e-mail account delivery, up to two additional recipients

Mobile Banking FREE

Get the power of online banking in the palm of your hand! By pressing a few buttons, you can check your balances, view transactions and copies of cleared checks, transfer funds between accounts, and pay all of your bills. To get started today, just log in to your Peoples Internet Banking account, click on options, then Mobile Settings, then Web Mobile Setting.

Text Banking FREE

You don't need internet service to get your business account balances. With our Text banking service you can get your balances and the last four transactions on your account by simply texting “bal” for balances and “hist” for history. Sign up today by logging in to your Peoples Internet Banking account, click on options, then Mobile Settings, then Text Mobile Setting.

Online Banking Other Options

- Change your ID or Password
- Change names on your account, account information & display options
- Schedule events, items, and personal alerts
- Report if your ATM or Debit Card is lost or stolen
- Sign up for Mobile and Text Banking

Remote Deposit With Remote Deposit Capture you can deposit checks into your Peoples Bank account electronically from your office any time of the day. Turn checks into cash! Fast!

Merchant Services Let us show you how easy accepting credit cards should be!

Sweep Service If you're signed up for this service and write checks on an insufficient checking account balance, the money will automatically sweep from your savings to checking. You'll be able to avoid overdraft fees providing you have money in your savings to cover the insufficient balance of your checking account.

*Talk to any Peoples Bank Representative regarding applicable fees.

Telebanking FREE

Need to: Get your account balance? Verify a transaction? Transfer funds between accounts? Just call Peoples 24 Telebanking. **IT'S FREE!**
