To prevent overdraft fees, we recommend that you keep track of your account balance by entering all items in your check register, reconcile your checkbook regularly, and manage your finances responsibly. However, if a mistake occurs, Peoples Bank offers the following alternatives to cover overdrafts:

- **ACCOUNT SWEEP:** This product allows you to protect your account against overdraft and NSF (Non-Sufficient funds) item fees by transferring funds from another eligible Peoples Bank account to your primary checking account. Any presented items that would cause an overdraft in the primary account will be paid by available funds that are swept or transferred from the secondary account. Regardless of the number of NSF / OD items only one transfer fee of \$5.00 per account per day will be assessed.
- **LOC (Line of Credit):** Upon credit approval, you could qualify for an overdraft line of credit with Peoples Bank that would be tied to your checking account and protect you against overdraft and Non-Sufficient item fees. Any presented items that would cause an overdraft in the account will be paid by funds that are transferred from the line of credit (up to the available limit). You will pay interest on this loan and there may be additional fees.

Fees will apply to overdrafts created by check, in-person withdrawal, ATM withdrawal, or other electronic means. We may refuse to pay an overdraft for you at any time, even though your account is in good standing and even though we may have previously paid overdrafts for you. You will be notified by mail of any insufficient funds items paid or returned that you may have; however, we have no obligation to notify you before we pay or return any item. The amount of any overdrafts plus fees** that you owe us shall be due and payable upon demand. If there is an overdraft paid by us on an account with more than one (1) owner on the signature card, each owner, and agent if applicable, drawing/presenting the item creating the overdraft, shall be jointly and severally liable for such overdrafts plus fees.**
